WWW.KASC2012.ORG

The Korea-America Student Conference (KASC) is a student-led academic and cultural program that brings together 25 Korean and 25 American students from all universities and all levels of education (undergraduate and graduate alike) to learn about and discuss U.S.-Korea relations.

5th KASC Roundtable topics:

Watershed Year: Predicting North Korea in light of the U.S. and ROK 2012 Presidential Elections

Strengthening U.S.-Korea Relations through Education

Aestheticism and Arts: The Effects of Korea-U.S. Convergence

Korea and the U.S. Connected through Social Enterprises

Environmental Law: Determine the Future of our Economy and Environment
